**Subject:** WalMart Charts  
**To:** Medakkar, Satish  
**Cc:** DiSanto, Mike; Neidle, Bruce; Shirk, Pam

Satish:

Just to confirm our conversation this morning, beginning next week the WalMart charts will be reviewed by Mike DiSanto or Pam Shirk before they are mailed to the new PM Contact, Bruce Neidle.

This should eliminate any future problems like the one that occurred recently with the charts going out for the week that McLane had fatal data. That week should not have been released. Let me know if there are any questions!

Thanks.

Jim
